

Certificate of Approval

This is to certify that

Canadian Aircraft Components Corporation

of

Edmonton, AB

Approved Maintenance Organization

27-87

is approved pursuant to CAR 573.02 for the maintenance of aeronautical products, and holds ratings in the following categories:

Components

The scope of privileges applicable to each category is limited to that specified in the respective rating documents that accompany this certificate, and is conditional upon compliance with the approved procedures and limitations specified in the organization's maintenance policy manual.
